4.Insert record example

The screenshot shows a mobile application interface with a purple header bar labeled "Database" and a title "Insert Page". The form has an orange background and contains the following fields:

- Employee Code:** 345
- Employee Name:** wwlef
- Gender:** ☐ Male ☒ Female ☐ Other
- Department:** MECH (dropdown menu)
- Salary:** 25000

Below the form is a numeric keypad with buttons for digits 1-9, 0, a decimal point, a minus sign, a backspace key, and a blue arrow key. The bottom of the screen shows the standard Android navigation bar.

10.Retrieve

The screenshot shows a mobile application interface for a database. At the top, there is a blue header bar with a back arrow and the text "Database". Below this is a yellow bar with the text "Retrieve Page". The main area has a blue gradient background. It contains a label "Employee Code" followed by a text input field. Below the input field is a red button labeled "SEARCH". At the bottom, there are five labels: "Employee Name", "Gender", "Department", and "Salary", each followed by a text input field.
